

## Week-at-a-Glance

### Weekly Theme 5: Practicing Staying Safe

**Learn**

**This week children will learn to never keep secrets about touching.**

**Help children understand:**

- They should never keep secrets about touching.
- Telling a grown-up is one of the Ways to Stay Safe.
- It's never too late to tell someone about a touching secret.
- They should keep telling until someone helps them.

**Practice**

**This week, help children practice these skills.**

**Say:**

- I need to report a broken Touching Rule.
- Touching secrets are never okay.
- Stop, that's not okay.

**Do:**

- Tell a grown-up about unsafe or unwanted touching.

**Reinforce**

**This week, reinforce not keeping secrets with specific feedback:**

Jamie, you told me how you spilled Sasha's drink during snack time instead of keeping it a secret.
